

Consent form for use of children's photographs on Matlock Pre-School Playgroup Website

Occasionally, we may take photographs of the children at our pre-school. We may use these images in our pre-schools prospectus or in other printed publications that we produce, as well as on our website. From time to time, our pre-school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes. To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and return the completed form to Playgroup.

In accordance with the recommendations of the Department for Education and Skills' Superhighway Safety Website we will ensure that there are no personal details or full names (first name and surname) of any child in a photograph or in any accompanying text or photo caption. Our website will contain no personal e-mail or postal addresses, and telephone or fax numbers. We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.
